

## **3<sup>rd</sup> Annual Safe and Sober Spring Family Night**

The 3<sup>rd</sup> Annual Safe and Sober Spring Family Night program was held at West Allis Central on April 29<sup>th</sup> with the topic of Dangers and Consequences of Prescription and Other Drug Abuse. Speakers included Max Radcliffe from the Aurora Family Assistance Program, Beth Heflin and Dan Solarzano from the school district and Detective Sergeant Troy Mass from the West Allis Police Department. This program has become an annual event hosted by West Allis Central and Nathan Hale High Schools in alternating years. Next spring, Nathan Hale High School will host the event.

About 150 students and parents were in attendance at the program, 40 students from Central and 35 students from Hale. The event was meant to be a proactive intervention to promote safe behaviors during the upcoming high school prom, graduation celebrations and summer season. Students who attended the family night with their parents/guardians received a \$10 voucher, which can be used toward their homecoming ticket. Gift certificates and prizes were donated by local businesses were given away at the end of the program. These included discounts at local hair/nail/tanning salons and florists. We hope the event increased awareness and will help parents have those crucial conversations with their daughter/son to make positive life choices.

The Parents Who Host, Lose the Most campaign was also launched at the program with yard signs, posters and window clings available to participants. Signs will be up throughout the community through mid-June to remind parents and students to have a safe and sober prom, graduation and summer.

Program information is listed below.
